House Rules

- Everyone must have an admission book and may play only one.
- Children must be 10 years of age, be supervised by an adult and play their own cards.
- Once a letter has been called, the number must be completed.
- It is the player's responsibility to clearly indicate bingo to stop the game. Late calls will be honored only if the balls have not been dropped or the next letter called in a two-part game.
- Although rare, it is possible to have a part two bingo while part one is being played. We will honor the part two bingo and conclude the game in progress.
- All letters are upright unless noted as "Crazy" on the program.
- All papers must be marked in dauber, some color other than Black.
- If a power outage occurs prior to the halfway point of the bingo occasion, we will attempt to refund each player half price for their bingo cards. If the outage occurs after the halfway point, the occasion will be considered over and no refund will be made.
- Flashboards are a convenience to the players. The balls are official.
- A player does not need bingo on the last ball called to be eligible for the prize.
- Disorderly persons will be asked to leave the premises and no refund will be offered.
- The house cannot be held responsible for human error. If a mistake occurs, the member in charge will determine the correct resolution per New York State Law. His or Her decision will be final.
- During active bingo game playing, all cell phones must be on silence. Any phones calls must be made outside of the game playing area. Players will be asked to leave the game if they are disturbing the play of the game for others.
