Gates Bingo House Rules

1. Everyone must have an admission book and may play only one.
2. Once a letter is called, the number must be completed.
3. It is the player's responsibility to clearly indicate bingo to stop the game. Late calls will only be honored if the balls have not been dropped or the next letter called in a two part game.
4. Although very rare, it is possible to have part two of a game while part one is being played. We will honor the part two bingo, then conclude the game in progress.
5. All letters are upright unless noted as crazy on the program.
6. All papers must be marked in dauber.
7. If a power outage occurs prior to the halfway point of the bingo occasion, we will attempt to refund each player half price for their bingo cards. If the outage occurs after the halfway point, the occasion will be considered over, and no refunds will be made.
8. Flash-boards are a convenience to the players. The balls are official.
9. A player does not need bingo on the last number called to be eligible for a prize.
10. Disorderly persons will be asked to leave the premises, and no refund will be offered.
11. The house cannot be held responsible for human error. If a mistake occurs, the member in charge will determine the correct resolution per New York State Law. His or her decision will be final.
