**Gates Bingo House Rules**

1. Everyone must have an admission book and may play only one.
2. Once a letter has been called, the number must be completed.
3. It's the players responsibility to clearly indicate bingo to stop the game. Late calls will be honored only if the balls have not been dropped or the next number has been called in a two-part game.
4. Although rare, it is possible to have a part-2 bingo while part-1 is being played. We will honor the part-2 bingo and conclude the game in progress.
5. All letters are upright unless noted as "crazy" on the program.
6. All papers must be marked in dauber, some color other than black.
7. If a power outage occurs prior to the halfway point of the bingo occasion, we will attempt to refund each player half price for their bingo cards. If the outage occurs after the halfway point, the occasion will be considered over and no refund will be made.
8. Flash boards are a convenience to the players. The balls are official.
9. A player does not need bingo on the last ball called to be eligible for the prize.
10. Disorderly persons will be asked to leave the premises and no refund will be offered.
11. The house cannot be held responsible for human error. If a mistake occurs, the member in charge will determine the correct resolution as per New York State Bingo Law: his or her decision will be final.
12. During active game playing, all cell phones must be on silence. All phone calls must be made outside the game playing area. Players will be asked to leave the game if they are disturbing the game for others.
13. New York State Bingo Law now requires players to be 18 years of age. Children between 10 and 17 may be in the hall, accompanied by an adult, have a Paid Admission Card that must sit in front of the child and not be played.
